## INNOVANDO LAS ESCUELAS PÚBLICAS DE WASHINGTON

Washington tiene una larga y progresiva historia promoviendo el seleccionar, fomentado innovaciones y ofreciendo alternativas entre el sistema escolar público. La primera escuela innovadora de Washington se inicio en 1935 en Spokane. Desde entonces la legislatura y la Mesa Directiva del Estado de Educación han aumentado la autoridad de los distritos escolares para ofrecer una amplia gama de escuelas innovadoras públicas y programas a través de:

- **Ley de la Cámara No. 1521:** La Legislación aprobada en 2011 que requiere la oficina del Superintendente de Instrucción Pública para identificar las escuelas innovadoras.
- **Ley de la Cámara No. 1546:** La Legislación aprobada en 2010 para crear guías para escuelas que sirvan como recursos y ejemplos de como cambiar las mejores practicas en el establecimiento de pequeñas comunidades de aprendizaje altamente personalizado, un curriculum de guías interdisciplinaria y la colaboración con las empresas y la comunidad.
- **Aprendizaje por la Ley de Elección:** Un Acto en Relación con las Opciones de Inscripción de estudiantes en el Estado de Washington: Promueve la selección de las familias, pudiendo elegir esta selección en el séptimo u octavo grado en el Programa Running Star (Inicio Temprano).
- **WAC 392-121-182:** Promueve la experiencia alternativa de aprendizaje y programas de aprendizajes digitales.
- **WAC 392-121-188/RCW 28A.150.305:** Promueve programas para la Asociación de Padres.
- **28 RCWs adicionales:** Citados adicionales en el reporte de Diciembre del 2009 por la Oficina del Superintendente de Instrucción Pública titulado, *Aprendizaje por Elección*
