

WEA FOURTH CORNER

Larry Delaney, Lakewood E A

I humbly ask for your support for reelection to the position of Fourth Corner Director to the WEA Board. I currently teach math at Lakewood High School and am President of the Lakewood Education Association. As a current WEA Board Director I chair the WEA Small & Rural Committee. Working to ensure that our smaller and more remote locals remain connected to our larger union is of the utmost importance, and ensuring that all locals have the resources necessary to strengthen their association and engage members is most gratifying. I ask for your support to continue this work.

Summer Stoner, Bellingham E A

My name is Summer Stoner and I want to continue to represent you as a Director to the WEA Board. I have served in this role since 2014 and greatly value all that I have learned and been a part of while in this role. In addition to my Board role, I am an active member of the 4th Corner Council for the last 12 years, I serve as a local Building Rep, Council Delegate, and a 4th Corner Council Exec Board Member. As a Board member I have the pleasure of chairing the Healthy and Safety Committee and look forward to our next conference in March. I feel passionate about my role as a representative and voice of many.

My role is to serve the best interest of the members by understanding the sides of an issue and the views of the membership. The recent passing of my husband has really forced me to examine the areas of my professional career that are most important. The work I do with our Union to do what is best for members and, ultimately kids, is at the very top of my list. This is some of the most important work I do. I believe in always keeping what is best for students and what is best for members in mind when voting. I thank you for your support and vote for the 2018 UniServe Council Director the WEA Board.
