

WEA LOWER COLUMBIA

Lori Byrnes, Kalama E A

I'm Lori Byrnes from the Kalama School District. I've been teaching in Kalama for 22 years and have been actively involved in the union for as long. I am currently our local president, as well as secretary/treasurer for the Lower Columbia UniServ Council and a member of two WEA committees.

I believe my involvement at the UniServ and state levels helps me show members in my small local how WE are WEA. I am also able to make these member connections statewide as part of the small/rural locals committee. I hope to continue this work in order to spark greater involvement and show every member that she/he matters.

Please consider voting for me for UniServ Director to the WEA Board.

Michelle Guzman, Longview E A

I am a fifth year special education teacher dedicated to a strong union that supports students, teachers, families and our communities. I have been active in my local unions at many levels because I believe in being part of the solution. I have the dedication, passion and drive to be your delegate at the NEA representative assembly this year. It would be an honor to be chosen.
