### MEMBER-FOCUSED PROFESSIONAL DEVELOPMENT

As a result of the 2017-18 WEA PK-12 Classified and Certificated member survey results, WEA continues to build the WEA Professional Development Network so you can **easily find and register for trainings to earn clock hours** in a variety of high-demand subjects, such as:

- Strategies for Closing the Achievement and Opportunity Gaps
- Teacher Evaluation System
- Instructional Innovation to Meet Washington State Standards
- Special Education
- Certification and Licensure

### FOR MEMBERS, LED BY MEMBERS

To engage and empower WEA members across the state as the education experts, we're working with UniServ council and local leaders and staff to use the survey results to inform training opportunities.

The mission of the Washington Education Association is to advance the professional interests of its members in order to make public education the best it can be for students, staff, and communities.
