#### ATTENDEE FEEDBACK:

*"Thanks for presenting valuable information with humor and grace."*

*"The main thing I came away with is a decision as to when I want to retire...give me enough time to get all of my 'ducks in a row,' get rid of 'stuff' at school (before June), .... and then work on my "list of things to do" after my retirement."*

*"Even my husband who has been retired for a couple of years ... learned new things."*

This seminar is offered by WEA retired members who have actually been there, done that and come with a wealth of knowledge! The size of the class is kept small intentionally as it provides participants the opportunity to connect with the presenters and get their questions answered face to face. *The purpose of this seminar is to educate members on these topics providing each with the resources and support they need prepare for a successful and secure retirement.*
