

# STUDENTS WITH AUTISM IN YOUR CLASSROOM

**WEDNESDAY,  
APRIL 17 &  
THURSDAY,  
APRIL 18**

**4:30—7:30 PM**

This course offers an in-depth look at autism characteristics in areas such as social reciprocity, shared attention, and perspective taking. Attendees learn how these deficits translate into academic, social, motor, communication and adaptive difficulties in schools and communities. This course provides an overview of the various behavioral, developmental and structured teaching approaches, as well as a variety of effective classroom strategies to use in serving students with autism.
