

Lower Columbia UniServ Council Director to the Board Nominees

Eric Askeland, LONGVIEW E A

My name is Eric Askeland and I am an elementary K-5 music specialist at Mint Valley Elementary in Longview.

I wish to represent Lower Columbia at UniServ Council Director to the WEA. I have lived and taught in Longview since 2002. I have been a building representative at Mint Valley for many years, attended PoliSparks, Rep Assembly, and various rallies for WEA in Olympia. Recently, I was honored to serve as zone captain and cheer captain during our 2018 strike. I also am the facilitator of the elementary music Professional Learning Community. I believe my experience shows my passion for public education.

I am married to an amazing choral director, Alison Askeland, and have two school age sons in Longview schools.

I enjoy camping, traveling, and learning trivia.
