Elaine Hogg, AUBURN E A

I have been honored to serve as a Uniserv Council Director to WEA Board for the past 2 years representing members in PSUC. I thoroughly enjoy working with other Uniserv Council Directors to support and promote WEA policy. As a Uniserv Council Director to WEA Board I have also served on the Credentials Work Team to ensure that our locals involve all members in the RA election process while encouraging members of color to run for elected positions. I have learned a great deal about our organization over the past 2 years and look forward to serving for another 2 years if elected.

Steven Mayer, FEDERAL WAY E A

I'm Steve Mayer and I'm asking for you vote to return to the WEA board. I have been a proud WEA member since my first year in teaching in 1993. I was a member of the Clover Park EA from 1993-2000, and I have been in the FWEA since 2000.

Service matters. In my locals, I have been honored to serve. I have been on 5 bargains, including 2 terms as FWEA bargaining chair. I co-founded the advocacy (grievance) team, led our workload relief team, and have been a building rep for 18 years. This year will be my 26 WEA-RA.

Regionally, I served as a WEA board representative from 2012-2018. I was on the Puget Uniserv Council executive board, the WEA budget and finance committee, and the WEA benefits services advisory board.

My experience is extensive, but I am still fresh and ready to serve. I am proud to represent all members of Puget Sound Uniserv Council. This includes ESP and certificated members. I t included small and large locals. I bring a member focus, solution-oriented skill that values all of us as we work together. Currently, I teach in Federal Way at Mark Twain Elementary School. My assignments have included 5th grade, 6th grade, instructional coach, math facilitator and interventionist. I have been a teacher-librarian for the past 4 years.

I humbly request your vote to return to the WEA board as your PSUC representative. I pledge to give my all to represent us all.

Kelly Milliren, DIERINGER E A

I am excited to be running for a second term to represent Puget Sound members as a Director on the WEA Board.

I'm a first grade teacher in Dieringer, a small-local school district. As a member of the Dieringer Education Association I have experienced working in several positions, including president for four years and a bargaining team member last year.

I enjoy being involved in political action, which strengthens our professional status, working conditions and student learning.

I've served as Secretary, for the Puget Sound Uniserv Executive Board for the past four years and am currently one of your WEA Board Directors. A tremendous amount of learning has taken place during my first term as a Board Director and a member of the Small-Rural Locals Committee. If elected, I look forward to applying this learning to strongly represent our members for the next two years.

Thank you for participating in these important WEA elections. I would appreciate and be honored to receive your vote.
