

North Central UniServ Council Director to the Board Nominees

Tammy Grubb, EASTMONT E A

Additional information not provided

Jeremy Pitts, MOSES LAKE E A

I am running for re-election to the North Central UniServ Council WEA Board Director position to ensure that our members in North Central continue to have their voice and views represented on the WEA Board. One of my goals has always been for the WEA Board to have a variety of voices and views and to make sure that all areas of our Council are represented - from Brewster to Wilson Creek and Oroville to Wahluke. We have a wide range of views and ideas in North Central and every member deserves to have theirs represented on the WEA Board. I have been a third-grade teacher for 18 years, served as a local president in Moses Lake for six years, been part of the North Central Executive Board for 5 years, and served on the WEA Board for the past two years.
