

Tips for completing your W-9 form with our fillable PDF

1. First, go to this link in your preferred web browser:
https://www.washingtonea.org/file_viewer.php?id=41066
2. From the window in your browser, click the download icon in the top right corner (*save icon* for Microsoft Edge users).
3. Open the W-9 PDF from your downloads folder or the location you chose to save the file.
4. Simply type your information into the fields in the PDF, including your name for your signature and click save. You can attach the completed PDF to your online application.
5. If you do not have the ability to fill in the fields electronically, print the PDF, fill in your information and scan or take a picture of your signed form to attach to your online application.
