

FULLY FUNDING EDUCATION... IT'S NOT ROCKET SCIENCE!

Access to a quality public education is a fundamental civil right enshrined in our State constitution. It requires ample funding to make sure a quality public education is available for all children regardless of ZIP code!

IF WE WANT SCIENTISTS...

We need science education to be funded.

IF WE WANT SCIENCE TO BE VALUED...

We need to make sure ALL students have access to a quality public education!

PLEASE CALL YOUR LEGISLATORS TODAY!
