2. The presiding officer may appoint a parliamentarian to advise the presiding officer.

II. OFFICERS

Officer Authorization

Members of the WEA Board shall be the officers of the Assembly and have in addition to their responsibilities as officers all the rights and responsibilities of elected local affiliate delegates.

III. DELEGATES

A. Delegate Authorization

An individual may become a delegate if:

1. the individual has been elected to serve as prescribed in the WEA Constitution and Bylaws; and
2. the individual presents the appropriate temporary credential card.

B. Delegate List

UniServ Councils will be provided a list of Assembly Delegates as reported by local affiliates to WEA.

IV. SUCCESSOR DELEGATES

A. Successor Delegate Authorization

An individual may become a successor delegate and take the place of a delegate if:

1. the individual has been elected to serve as a successor as prescribed in the WEA Constitution and Bylaws; and
2. the individual presents the appropriate credential card and is properly registered prior to participating in the Assembly.

B. Successor Delegates and Substitution for Delegates

1. A successor delegate may substitute for a delegate if the delegate is unable to attend, arrives late, or leaves during the Assembly for any length of time deemed appropriate by the delegate.
2. The delegate shall resume delegate status upon return to the Assembly floor. If a delegate leaves during the Assembly and a successor delegate is to replace the delegate, the delegate and successor delegate shall report to the registration desk where they will surrender their delegate badges. An "Official Delegate Badge" will be issued to the successor delegate and the delegate

shall transfer the voting credential card to the successor delegate. If the original delegate chooses to return to the floor, the process will be reversed.

3. Successor delegates may sit on the floor if the Assembly facility can accommodate them. A delegate and successor delegate cannot transfer a voting card without going through the process outlined in IV.B.2.

V. CERTIFICATION

A. Credentials

1. Each authorized delegate and successor delegate shall receive a temporary credential card from the WEA office prior to the Assembly provided that the delegate's local affiliate meets one of the following criteria.
 - (a) The local meets the person of color WEA constitutional requirement, meaning the local affiliate's delegation is at least proportionate to the person of color population within the state.
 - (b) The local has developed, instituted, and submitted a written plan to improve participation of its members of color. Locals making genuine progress toward their goals will be considered in compliance by the Credentials chair with the concurrence with the Human & Civil Rights Committee chair.
 - (c) The local was not out of compliance in the preceding year.
2. In the event that person of color requirements are not met, as outlined in V. A. 1., the following procedures will be implemented.
 - (a) A local in the first year out of compliance will be contacted by WEA Credentials and assisted by the Human & Civil Rights Committee in developing an Initial Plan for Inclusive Diversity. This plan must be submitted to the Credentials Work Team prior to the delegate registration deadline of the next Representative Assembly.
 - (b) If in each successive year the local is out of compliance, then the local and one of the local's UniServ Council Board Directors will be required to attend a WEA Credentials hearing prior to Representative Assembly before receiving delegate credentials. WEA Credentials may then recommend to RA that the local may be denied the right to participate in RA except:
 - i. to participate in the election for Association officers; and
 - ii. to vote on increases in membership dues.
3. Replacement and additional temporary credential cards may be obtained at the time of registration at the Assembly in accordance with the procedures prescribed by WEA Credentials.

New Business Items that require budgetary allocations must be referred to the WEA Board for program development and processing through the regular budgetary channels.
