2. When the votes are tallied, if a candidate wins an outright majority of first-place votes, then that candidate wins the race. If not, then the candidate with the lowest number of first-place votes is eliminated. All first-place votes for that candidate are discounted. The votes are recounted, but the second-place vote on any ballot which had a first-place vote for the eliminated candidate is to be counted as a first-place vote, hereafter called a "consolation vote", in favor of the second-choice candidate. This process will continue until a candidate receives the outright majority of votes cast, or there is an exact tie. If a candidate receives the outright majority of votes cast, that candidate wins the race.
3. In the event of an exact tie, there will be a re-vote of the top two candidates of only those races where the tie vote exists. This election will follow the procedures of Article XXI sections A-C. If the runoff election also ends in a tie, the tie will be resolved by each candidate having the opportunity to give another speech which will then be followed by another runoff election.

F. Election Challenges

1. In case of a challenge, the candidate(s) or their designee(s) shall present in writing to the chairperson of WEA Nominations and Elections any concerns regarding voting procedures, infraction of the rules, or the election.
